

Call for President-Elect candidates, 2024

It is time to choose a President-Elect. The election will take place at the AGM during PME 47, on Saturday 20th of July, 4 pm local time. We strongly encourage former members of the International Committee (now Board of Trustees) to stand for election of the position of President-Elect. The President-Elect will shadow the President during the following year and in July 2025 assume the presidency of PME for a 3-year presidential term and then also become a trustee. It is desirable that the President-Elect can attend the board meeting the day after the PME 47 conference ends.

If you are interested in standing for election for President-Elect, here are the steps to follow:

- Download the nomination form from the PME website via <https://www.igpme.org/organization/international-committee/>.
- Find two current researchers to propose and second your nomination. Note that you, your nominator, and your seconder must be PME members. You are automatically a PME member if you register for the PME conference in 2024. You can become a PME member via ConfTool, <https://www.conftool.com/pme47/>. You must also be a PME member to be allowed to cast your vote in these elections.
- Complete the nomination form. You may also include a photo of yourself. Submit your completed nomination form to the PME Administrative Manager at info@igpme.org **no later than three weeks before** the general meeting, (i.e. 29th of June)
- Prepare a maximum 4-minute video summarizing your reasons and vision for the future of PME. Submit a link to the video to the PME Administrative Manager at info@igpme.org **no later than one week before** the general meeting, (i.e. 13th of July).
- Your completed nomination form and your video will be made available on the PME membership page prior to the PME conference.
- Ask your nominator to prepare a short presentation (2-3 minutes) of you to be shared in person during the AGM, and prepare yourself to answer possible questions from the PME members.

If you have any questions, please contact the Administrative Manager (info@igpme.org).
